SPEAKERS

Prof.(Dr.) N.R. Krishnaswamy
BDS, MDS, M.Orth RCS (Edin),
DIBO, Dip. NB, NAMS

Topic: Occlusion and Temporal Mandibular Disorders: Current Concepts

Dr. N.R. Krishnaswamy, former Professor and Head of Orthodontics at Ragas Dental College, Chennai, is a distinguished academician, clinician, and international speaker. With degrees from Govt. Dental College, Chennai and KMC Manipal, he holds fellowships from the Royal College of Surgeons, Edinburgh, and the Indian/National Boards of Orthodontics. A recipient of numerous orations, national and international awards, and the Tamil Nadu Dr. MGR University's Best Teacher Award, he has lectured globally while maintaining an acclaimed private practice in Chennai.

Prof. (Dr.) Puneet Batra
Principal and Head of
Orthodontics at Manav Rachna
Dental College

Topic: Decoding Digital Work Flow in Cleft Patients

Prof. (Dr.) Puneet Batra, President of the Indian Orthodontic Society, Principal and Head of Orthodontics at Manav Rachna Dental College, is a distinguished academician, clinician, and researcher with fellowships and memberships across leading international bodies. A Diplomate of the National Board and former Editor-in-Chief of the Journal of Indian Orthodontic Society, he has served as Past President of the Indian Society of Cleft Lip & Palate. A Commonwealth Scholar at Great Ormond Street Hospital, London, and TC White Awardee from Dundee, he actively contributes to the Dental Council of India, Smile Train Advisory Boards, and practices as a renowned cleft orthodontist in India.

Prof. (Dr.) Sanjay Labh
BDS GDC PATNA
MDS GDC CHENNAI

Topic: Understanding the Biomechanics of the Aligners

Prof. (Dr.) Sanjay Labh, a renowned orthodontist, holds his BDS from GDC Patna and MDS from GDC Chennai. A Fellow of the Royal College of Surgeons, Edinburgh, and the Royal College of Physicians and Surgeons, Glasgow, he is also an active fellow of several global orthodontic and implantology societies. Currently Hon. Secretary of the Indian Orthodontic Society and President Elect of the Indian Lingual Orthodontic Society, he has been awarded the International Innovation Award (London, 2018) and Orthodontist of the Year (2014).

SPEAKERS

Dr. Mukesh Kumar
BDS, MDS

Topic: : The Art of Decision making, with TADs

Dr. Mukesh Kumar, Professor of Orthodontics, brings over 24 years of rich teaching experience. An alumnus of Bapuji Dental College, he completed his postgraduate training under the legendary Dr. K. Sadashiv Shetty. Widely published in leading orthodontic journals including JCO, AJO & DO, Dental Press, International Orthodontics, and JIOS, he has made significant academic contributions in a relatively short span. Recognized as both a dedicated teacher and prolific researcher, he continues to inspire students and peers alike.

Dr. Rajesh Patil
MDS (Orthodontics) AIIMS,
New Delhi

Topic: Orthodontic Bone Screws: Expanding Envelops of Orthodontics

Dr. Rajesh Patil, an accomplished orthodontist with over two decades of experience, combines clinical excellence, academic leadership, and strategic business acumen. An MDS graduate from AIIMS, New Delhi, where he secured 1st rank in the national entrance exam, he is Director and Partner at Braces and Smiles, India's first chain of orthodontic clinics. A former Professor at MGM Dental College, he has contributed extensively through research, publications, and global lectures on advanced orthodontic techniques.

Dr. K. Gnana Shanmugham
Vice President IOS

Topic: Extra radicular TADs- placement sites and techniques

Prof. Dr. K. Gnana Shanmugham, Vice President of the Indian Orthodontic Society, is a senior academician and practicing orthodontist with over two decades of experience. A postgraduate teacher and Professor at Sree Balaji Dental College, Chennai, he also leads a successful private practice at GV Dental Clinic. He is currently pursuing his PhD at Bharath University. Trained internationally in functional orthodontics, lingual orthodontics, micro implants, TADs, and aligner biomechanics, he has organized and chaired several national conferences, published extensively, and is a sought-after invited speaker at national and international forums.

Dr. Prof. Surya Kanta Das

Topic: In office planning for complex cases by Clear Aligner Therapy

Prof. Surya Kanta Das, Professor and Head of Orthodontics at SCB Dental College, Cuttack, is a distinguished academician, researcher, and innovator. A senior Titular Member of the European Society of Lingual Orthodontics and active member of the World Society of Lingual Orthodontics, he has three patents in lingual orthodontics and a feeder system for cleft children. He currently leads two ICMR-funded projects and has made pioneering contributions in lingual orthodontics, skeletal anchorage systems, in-office aligners, and cleft care. A former Vice President of the Indian Orthodontic Society, he is uniquely recognized for earning DIBO with all lingual cases.

SPEAKERS

Dr. Angshuman Bhattacharya
MDS (AIIMS, New Delhi)

Topic: : Challenging the Limits: Aligners in High-Difficulty Orthodontic Cases

Dr. Angshuman Bhattacharya, an accomplished orthodontist, earned his MDS from AIIMS, New Delhi, and is a Diplomate of the National Board in Orthodontics. A Fellow of the World Federation of Orthodontics and Member of the American Association of Orthodontics, he has contributed significantly to academics as former Professor at Buddha Institute of Dental Sciences. Currently, as Director of Mission Smile Orthodontic Centre, he combines clinical expertise with a passion for advancing orthodontic care and delivering excellence to his patients.

Dr. C. Vijayadhith
BDS, MDS, Head of
Orthodontics and Dentofacial
Orthopaedics at Priyadarshini
Dental College

Topic: : Next-Generation Orthodontics: 3D Printed Customized Appliances for Transverse Malocclusion

Dr. C. Vijayadhith is a distinguished orthodontist and academician with over 19 years of teaching experience. He completed his MDS in Orthodontics from Annamalai University and currently serves as Professor and Head of Orthodontics and Dentofacial Orthopaedics at Priyadarshini Dental College. An active leader in the orthodontic community, he has served four terms on the Executive Committee of the Indian Orthodontic Society and is the Convenor of the Madras Orthodontic Study Group (2022–2025). Widely published in reputed journals, he has also contributed as Organising Secretary and Chairman of several national and international conferences.

Dr. Anupama V
MDS (Orthodontics)

Topic: Digital tools and automation for Aligners

Dr. Anupama V, Associate Professor of Orthodontics at SDM College of Dental Sciences, Dharwad, is an accomplished academician and clinician with an MDS from AB Shetty Dental College and a PhD in progress on accelerated orthodontics using LLLT. A certified Invisalign provider and fellowship holder in Implantology from Buffalo University, she specializes in aligner planning and digital orthodontics. Recipient of the WALTCON 2023 Best Research Paper Award and e-MEDHA Best User Centric Award (IIT Mumbai, 2022), she has multiple publications, book chapters, and international presentations to her credit, alongside active involvement in cleft care research and training.
